Dear [Redacted]

STAT

Received your letter regarding the CIM and fully understand your sentiments. Sorry it was not enough to entice you to come here so that we could see you once more. Rest assured I have passed your regards to all your associates and hope you and [Redacted] are having a really great time settling in your new home.

STAT

Don't know whether you are wired in to any tom-tom networks but can tell you if you have not heard already that I am following you into the great beyond on 2 April. This will be my last stint as Acting Director. Bob Manners is taking a well-deserved rest on the Outer Banks.

Warmest regards,

[Redacted]
